

Success depends on our people

Established in 2000, The African Comprehensive HIV/AIDS Partnerships (ACHAP) is a country-led, public-private development partnership between the Government of Botswana, the Bill & Melinda Gates Foundation, and MSD/Merck Company Foundation which is committed to enhancing Botswana's national response to HIV/AIDS. Currently in its second phase the organisation is delivering on four main areas of focus: HIV/AIDS Treatment Optimization; TB-HIV Treatment Integration; Safe Medical Male Circumcision and Knowledge Generation.

Director Business Development (ACHAP0213)

You will appreciate the shift in focus in global funding for health and related development priorities and use this knowledge to identify suitable implementation and research opportunities in Botswana or regionally, develop fundable proposals and develop and promote the ACHAP brand within the region.

The position requires at least 5 years' experience in resource generation in the development sector or market development in the private sector and an array of skills normally associated with marketing and sales (strategic networking, interpersonal skills, initiative, enterprising, relationship management and independence). A master's degree or PhD is required; in health care, public health / policy, marketing or equivalent.

Health Economist (ACHAP0313)

The primary purpose of this position is to evaluate and document the economic impact of ACHAP's interventions, analyse the economic impact of new funding proposals and provide guidance on strategic programmatic investments and identify priority areas in the future.

The position requires a Masters or PhD in health economics, public policy or health policy or equivalent (PhD preferred) coupled with significant proven experience providing technical assistance in the development, design, implementation and evaluation of health economics and financing policies and programmes. Experience and skills in financial and economic modelling and analysis of health programmes is also required.

Both positions operate in Botswana. For a role profile visit our website www.hrhc.co.bw. Interested applicants may apply to bonolo@hrhc.co.bw quoting the appropriate reference number in the

subject box. A covering letter of no more than 500 words should match your past experience to the role requirements. Closing date for applications is 31 May 2013, although early applications are encouraged. If you have not received an email response within 48 hours please contact Bonolo Monthe.
