

*Partnerships for a healthy Africa*

---

## VACANCY ANNOUNCEMENT

ACHAP is a public-private community development partnership established in 2000 to enhance and support Botswana's HIV & AIDS response. Using a comprehensive approach, ACHAP has successfully supported HIV prevention, care and treatment in Botswana for more than 14 years with remarkable results. Key to the success of ACHAP support has been the focus on results, the ability to develop and manage partnerships with government, civil society, other development partners and the private sector. ACHAP's main strengths include flexibility and innovation in programme design and implementation, evidence based programming, and commitment to culturally relevant approaches. ACHAP prides itself as a health development organization.

As a non-profit making corporation, the new ACHAP is now an independent entity with broader health mandate, wider geographical focus continuing to build on, and leverage on her core competencies in the field of HIV/AIDS and related health conditions. ACHAP seeks to recruit suitably qualified and highly motivated individuals for the below position;

**Chief of Party (1 position tenable at the ACHAP Head Office, Gaborone, Botswana)**

### **Job purpose**

The Chief of Party will have overall responsibility for coordination of all project activities and staff. S/he will have primary responsibility for representation of the project to USG. S/he will have the leadership qualities, technical expertise and experience, management experience, interpersonal skills and relationships to fulfill the requirements of the program description.

### **Qualifications, experience and competencies**

The Chief of Party shall have:

- At least 10 years of experience implementing and managing a complex program in/for a developing country
- Technical expertise in policy and programs serving vulnerable adolescent girls and young women at high risk of HIV acquisition; children and adolescents living with HIV; and HIV-exposed infants, especially from young mothers
- Familiarity with GoB National OVC and Gender policies and plans
- Demonstrated ability to engage government and to represent OVC priorities and issues

- Demonstrated experience in financial and technical management
- Knowledge of gender issue and links with OVC and HIV/AIDS
- Master's Degree or higher in public health, public administration, social work, psychology or related field.

**Please note:**
